Addendum No. 01

File Reference Number: RFP 2026 039

Title: Fabrication and Supply of Railcar Battery Box Enclosures

RE: Clarifications/Questions

QUESTIONS/CLARIFICATIONS:

Item 1: Appendix A – Form of Agreement – Section 20. Insurance

Would ONTC be able to amend this section, given that the fabrication and supply will not occur on or around ONTC's railway property?

Answer: Yes, as the goods will be fabricated and supplied from the vendor's manufacturing facilities, ONTC will amend this section of the agreement as follows:

20. Insurance. Seller shall, at its own expense, maintain and carry insurance in full force and effect that includes, but is not limited to,

- (a) commercial general liability (including product liability) with limits no less than one million dollars (\$1,000,000) for each occurrence and ten million dollars (\$10,000,000) in the aggregate with financially sound and reputable insurers; and,
- (b) if the Seller will use or provide for use motor vehicles in providing the Goods, automobile (motor vehicle) insurance covering all liabilities for personal injury and property damage arising from the use of such vehicles, with limits of liability of \$2,000,000 for each occurrence and in the aggregate.

This Addendum hereby forms part of the RFP.
